President's Message

We just got home from the National Meet in Valley Forge, and I guess we should have our heads examined. We drove the old black Sprint 1,260 miles in 23 hours — straight home to Kansas City.

The Keystone Chapter put on a fantastic National Meet. They had done their homework, and that's what it takes to make a meet a success. Everyone in their Chapter had a smile on their face all the time — even in the rain Saturday. We, the Falcon Club of America, would like to thank them for a very successful show. The quality of cars just keeps getting better. Our vendors had a lot of new products to help us make our cars better.

We have a lot of dedicated Falcon people like Bonnie Stringer and Mary who run the Club Store. It took them three Chevys to finally make it to Valley Forge. They had several problems on the way there and on the way back home.

You're stuck with me as your President for another year. Hopefully it will be our best yet. Each year gets better and better.

Thanks to all who attended the National Meet in Valley Forge, and try to make it to some of the Regional Meets.

Jim Hatcher
FCA President

Editor's Thoughts!

I don't often have time to even think let alone jot down those thoughts, but I want you to be aware of a couple of changes being made to the *Bulletin*.

First, we're changing the name back to *The Falcon News*. You'll be seeing photos, feature cars, and tech tips in every issue, so get busy and send me lots of letters.

For those of you who advertise in the Classified Ads section, there will also be a change. You'll only be allowed up to 10 lines of copy — and please don't try to abbreviate everything to save space so that no one knows what you're selling! If your ad is too long, I'm going to have to cut out some items.

Most of the changes will begin with the October issue. Let me know what you want to see in the newsletter — it's published for you, the members.

Vice President's Message

Dodging "gators" somewhere in eastern Arkansas, about eight hours from home. The Missus is driving, and I'm writing this message as a diversionary tactic (can't stand to watch). The last peek I took, the cruise was set on 65, we were doing 50, one foot on the brakes, the other on the gas and making faces at the rearview mirror (lost luster of lip lacquer?). Changing lanes now; not passing anything, just looking for a new radio station.

Learned a lot of neat things at the 15th F.C.A. Nationals!

FIRST: The Keystone Chapter is one bunch of dedicated and talented people — well-executed, excellent preparation, fun-filled Falcon function! This is the one you should have attended. I'd be proud to wear their patch anywhere!!!

SECOND: The PA Turnpike charges according to your year of birth or the length of one's left arm. Comes to 1910 either way. Place the decimal where required. Jimmie has real short arms.

THIRD: Retirement seems to bring out the inventiveness of one's spouse. Ever heard of dusting all the door hinges in the house? Roy knows hinges and may be evaluating a second career.

FOURTH: It takes three of them "chebbies" to get the Club Store from Mississippi to Pennsylvania. Bonnie and Mary are now major stockholders of UPS.

FIFTH: After winning all of the gold this year, Claude had absolutely no room for them all. Being the inventive gentleman he is, the trophies went on the passenger side seat (polish and ride); the traveling companion (granddaughter) was placed in the rear. Congratulations to Claude and all class winners!

SIXTH: Australians and Canadians are about the nicest people you could ever wish to meet! Y'all are welcome to Texas anytime. While we don't have any 'Roos or moose, you may find the 200-pound, giant *Dasyopus novemcinctus* (peba) quite interesting.

SEVENTH:

Oh, no! An 18-wheeler is on our side and about 10 more behind him; and She's reaching for a package of chewing gum. The radio station is fading again. Time for me to see how far back this seat will recline.

Love Ya All,
Marty

National Meet Wrap-Up

The Keystone Chapter of the Falcon Club of America would like to thank the Many Falcon enthusiasts who supported the 15th Annual National Falcon Convention in Valley Forge, PA, during July.

As the Pennsylvania Dutch tour started on Thursday, the Falcons started to fill the show parking lot. A pasta party was held that evening. On Friday, two tour buses left for Philadelphia, and the show field continued to fill. That evening an ice cream party took place.

There was plenty to do for each person whether it was tours, a trip to the mall, or just walking around the parking lot looking at the Falcons. If you needed a bite to eat, the food vendor was just a short walk away in the parking lot. And if you needed a special Falcon part, there were lots of vendors to go to.

Saturday started with the final preparation for the car show. Ballots were handed out at 10:00 a.m. Shortly afterward, it started to rain. Voting was then extended to 2:00 p.m. With the short breaks in the weather between the rain, most in attendance had a chance to vote.

The awards were distributed following the all-you-can-eat meal at the Saturday evening awards banquet. Everyone in attendance received a door prize. We hope everyone had a good time and plenty of food.

Our committee was aided greatly by the large number of people who pre-registered. Still, it was a difficult decision as to the method of combining or splitting classes. Remember for future events, classes need sufficient pre-registration to avoid cancellation.

A total of 167 Falcons were on the show field. Additional Falcons were spotted in the swap spaces and in the general parking area. There were 19 pre-registered Falcons whose owners were in attendance without their cars, and two others whose owners were no-shows. Thirty states, Canada and Australia were represented, as well as 20 chapters of the FCA. We thank you all again for making this convention a memorable and successful one.

Ed Snyder, President
Keystone Chapter

Chapter News

The **Arizona Chapter** is in the process of reorganizing. Anyone interested in joining or receiving information can contact Bill Branch, 11634 No. 29th Pl., Phoenix, AZ 85028-1901 or phone Bill at 602/971-8803.

Fifteen members were present at a recent meeting of the **Founder's Chapter** which was held at Denny's in Little Rock, AR. Plans for the Regional Meet October 7 and 8 in Hot Springs, AR, were finalized.

The **Heart of Texas Chapter** had a good turnout, a productive business meeting, and great fish, fries and hushpuppies at the Dorsey's. They voted to participate as a club in the annual Stephenville Weekend Cruise and Show and the Yellow Rose Show in Fort Worth. About 50 cars participated in the Denton Car Show the chapter put on.

The **Mid-America Chapter** held its most recent meeting at Phil and Judy Warren's in Spring Hill, KS, where 18 members attended with 4 Falcons driven. Phil and Judy had a cookout to introduce the Nicholsons from Australia who are also Falcon members.

The **Southeast Falcon Chapter** went to Warner Robins for a picnic and then toured the Air Museum, which was very interesting with all of the old planes and writeups of what happened years ago. They then stopped at a flea market on the way home. A trip to the Jocky Lot Flea Market in Anderson, SC, was also held recently.

A cookout/picnic/meeting at Darien Lake State Park was held by the **Erie Canal Chapter**. Bill Barren gave a demonstration on a suspension.

Members of the **River City Chapter** displayed their Falcons at the weekly Gala on the K Street Mall. There was live entertainment, food, merchandise vendors and a farmer's market. They also cruised to Jaspers in Rocklin.

The annual **Mason Dixon Chapter** potluck picnic was held at Patapsco State Park with 10 Falcons, cousin Comet and several family cars which brought in 35 members and guests. Several walking excursions were made through the park. It was a great day for swapping Falcon stories and eating. A big Thank You to Libby Wilson for hosting.
